*Best Young  
Researchers Awards*

# Young Researchers Conference

**Energy Efficiency & Biomass**

24 – 25 February 2016

- The Young Researchers Conference is held in the context of the World Sustainable Energy Days. With more than 700 participants from over 60 countries each year, the World Sustainable Energy Days are one of Europe's largest annual conferences on sustainable energy.
- Linked to the main topics of the WSED16, this conference focuses on biomass and energy efficiency in buildings.
- The 2 best contributions are honoured with the awards "Best Young Researcher: Energy Efficiency" and "Best Young Researcher: Biomass". The researcher(s) will receive 1,000 Euro each as prize money.

**We look forward to your contributions!**

## Call for Papers

- Young researchers and professionals (born after 1980) are invited to submit contributions at: [www.wsed.at/call](http://www.wsed.at/call)
- Deadline for submissions: **9 October 2015**
- Submissions (in English only) are welcome from all scientific fields (e.g. technology & engineering, economic and social sciences, architecture, law, arts, etc.).
- A high-level scientific committee selects papers for oral and poster presentation.
- The costs of accommodation, meals, participation and local transport (3 conference days) for up to 60 selected participants are covered by the organiser.

**Submit your contributions  
by 9 October 2015**
